### FAMILY MEDICAL LEAVE ACT POLICY

This policy will summarize the provisions of the Family and Medical Leave Act ("FMLA") and is limited to any rights or benefits contained in the FMLA.

#### SECTION 1. Eligible Employees

SECTION 1.1. Employees of Crossroads who have been employed for at least twelve (12) months and who have worked at least 1250 hours during the 12 month period immediately prior to requesting leave and are employed at a worksite where 50 or more employees are located within 75 miles of the worksite are eligible to take twelve (12) weeks of unpaid leave under FMLA.

SECTION 1.2. An employee may request leave for one or more of the following reasons:

1. Birth of a child and to care for the newborn child;
2. Adoption or foster placement of a child with the employee;
3. To care for the employee's spouse, son, daughter or parent, if that person has a serious health condition;
4. Serious health condition of employee that prevents the employee from performing the job functions;
5. Because of a qualifying exigency (hereinafter defined) arising out of the fact that an employee's spouse, son, daughter or parent is a covered military member on active duty or has been notified of an impending call or order to active duty status in the National Guard or Reserves in support of a contingency operation;
6. To care for a covered service member (hereinafter defined) with a serious injury or illness when the employee is the spouse, son, daughter, parent or next of kin.

#### SECTION 2. Definitions

"Covered Servicemember" means a member of the Armed Forces, including a member of the National Guard or Reserves, who is undergoing medical treatment, recuperation, or therapy, is otherwise in outpatient status, or is on the temporary retired list, for a serious injury or illness. A member of the Armed Forces would have a serious injury or illness if he or she has incurred an injury or illness in the line of duty while on active duty in the Armed Forces provided that the injury or illness may render the servicemember medically unfit to perform duties of the member's office, grade rank or rating.

"Instructional employee or other key position" means an employee whose school leader function is to instruct or directly support instruction of students in a class, a small group or an individual setting or provide an essential function such as administration which would provide a disruption in the normal operations of the school.

"Parent" means a biological parent or one who acted in place of a parent when the employee was a child. The term "parent" does not include parent "in-law."

"Qualifying exigency" may include attending certain military events, arranging for alternative childcare, addressing certain financial and legal arrangements, attending certain counseling sessions, and attending post-deployment reintegration briefings.

"Serious health condition" means an illness, injury, impairment, or physical or mental condition that involves inpatient care in a hospital, hospice or residential medical care facility or continuing treatment by a health care provider and has been duly documented by a health care provider.

"Son or daughter" means a biological, adopted or foster child, a step-child, a legal ward or a child for whom the employee acts as a parent. The son or daughter must be under age 18 or, if the son or daughter is age 18 or older, he/she must be incapable of self-care on a daily basis due to a documented mental or physical disability.

"Spouse" means a husband or wife.

### SECTION 3. Amount and Type of Leave Taken

SECTION 3.1. Except as provided below, an employee may take a total of twelve (12) weeks during any twelve-month period. The twelve-month period shall be measured backward from the date the employee begins using any FMLA leave. In the event of the birth, adoption or foster placement of a son or daughter, all leave must be completed within twelve (12) months after the birth, adoption or foster placement.

SECTION 3.2. If both spouses work for Crossroads and both are eligible for FMLA leave, they are authorized to take only a combined total of twelve (12) weeks during any one twelve-month period to care for a newborn or adopted child, a child placed with the employee for foster care, or a parent with a serious health condition for twelve (12) weeks.

SECTION 3.3. Employees seeking to take Family and Medical Leave to care for a newborn or adopted child, a child placed with the employee for foster care, a parent, spouse or child with a serious health condition, or because of their own serious health condition, must first exhaust any personal leave, paid vacation, applicable accumulated sick leave, and any other applicable paid leave for their Family and Medical Leave.

### SECTION 3.4. Intermittent or Reduced Leave

An employee may only take leave on an intermittent or reduced leave schedule when medically necessary. The Executive Director will require a certification, in the form described in Section 3.7 below, to document the medical necessity of such intermittent leave.

### SECTION 3.5. Notification of Leave

If the need for FMLA leave is foreseeable, an employee requesting leave must provide at least 30 days advance notice to the (Executive Director). If such advance notice is not possible, the employee must give said notice as soon as practicable, ordinarily within one to two working days of learning of the need for leave. When planning medical treatment, the employee should make a reasonable effort to schedule the treatment so that any corresponding leave will not unduly disrupt the operations of the school or classroom instruction.

#### SECTION 3.6. Benefits and Return to Work

Employees taking FMLA leave will continue to accrue all benefits for which they are eligible that are provided by Crossroads while on FMLA leave. Crossroads will pay the employer's portion, if any, of such benefits. The employee will pay the same portion, if any, of such benefits as the employee paid before beginning the leave. The employee will be billed for the employee portion of the benefits and shall timely pay required premiums in order to maintain active benefits coverage.

Crossroads may recover any health care benefit premiums paid on behalf of an employee if the employee does not return to work after the leave period has expired.

With the exception of paid vacation, personal, medical or sick leave required to be exhausted prior to taking unpaid leave under Section 3.3 above, the employee's absence during leave will not alter benefits which the employee accrued before taking leave.

Upon return from leave, the employee is entitled to be reinstated to a position equivalent to the one the employee held when he/she left on FMLA leave, with equivalent pay, benefits and other terms and conditions of employment. Upon proper notice, however, Crossroads may deny reinstatement under this policy to an employee whose salary is within the highest 10% of the employees employed by the school ("key employee") if such denial is necessary to prevent substantial and grievous economic injury to the school's operation, as determined by the Board. Employees will be notified if they are considered a key employee, if there is an intention to deny reinstatement, and of their rights in such instances.

#### SECTION 3.7. Required Certification and Reporting

The Board requires that a request for leave due to a serious health condition be supported by a certification issued by the appropriate health care provider of the eligible employee or of the son, daughter, spouse or parent of the employee on a form to be provided by Crossroads.

This certification must include:

1. The date on which the serious health condition commenced;
2. The probable duration of the condition;
3. If the purpose of the leave is to care for a son, daughter, spouse or parent ("family member"), a statement that the employee is needed to care for the family member and the estimated amount of time needed for such care; and
4. If the leave is due to the employee's own serious health condition, a statement that the employee is unable to perform his or her job functions. Crossroads

may require that the eligible employee obtain subsequent recertification on a reasonable basis as requested by the Board.

Crossroads, at its own expense, may obtain the opinion of a second health care provider of the Crossroads' choice, if it should choose to do so. If a conflict exists between the opinion in the certification and the second opinion, Crossroads may, at its own expense, obtain a third opinion from a health care provider upon which Crossroads and the employee jointly agree. Such a third opinion as to the necessity for the leave is binding on both Crossroads and the employee.

Upon an employee's return after leave for his/her own serious health condition, Crossroads may require the employee to obtain certification from a health care provider that the employee is able to resume work.

Crossroads may require an employee on FMLA leave to report periodically to the Executive Director on the employee's status and intent to return to work.

#### SECTION 3.8. Special Provisions

When an instructional employee or other key position essential to the function of Crossroads seeks intermittent leave or leave on a reduced schedule in connection with a family or personal illness that would constitute at least 20% of the total number of working days in the period during which the leave would extend, the Executive Director may require the employee to elect to take leave in a block (not intermittently) for the entire period or to transfer to an available alternative position within the school that is equivalent in pay, for which the employee is qualified, and which better accommodates the intermittent situation.

If the employee begins leave more than five weeks before the end of a semester, the Board may require the employee to continue taking leave until the end of the semester if:

- a. The leave will last at least three weeks; and
- b. The employee would return to work during the three-week period before the end of the term.

**SECTION 2.3.** It is recognized that, for some individuals, raising a concern under this policy may be a difficult experience. All reported incidents will be investigated as provided below. All reported incidents will be handled in confidence, with staff being informed on a need to know basis only.

**SECTION 3. Crossroads Response**

**SECTION 3.1.** This policy requires that matters involving any of the matters reported pursuant to Section 1 are referred to the Executive Director for investigation. #### **SECTION 1. Employment of Family Members**

- (ii) Have the potential for creating an adverse impact on work performance; or
- (iii) Create either an actual conflict of interest or the appearance of a conflict of interest.

This policy shall also be considered when assigning, transferring, or promoting an employee.

**SECTION 1.2.** For the purpose of this policy, immediate family includes: spouse, parent, child, sibling, in-law, aunt, uncle, niece, grandparent, grandchild, members of household.

If one of the conditions outlined in Section 1.1 should occur, attempts will be made to find a suitable position within Crossroads to which one of the employees will transfer. If employees become immediate family, Crossroads will make reasonable efforts to assign job duties so as to minimize problems of supervision, safety, security or morale. If accommodations of this nature are not feasible, the employees will be permitted to determine which of them will resign. If the employees cannot make a decision, Crossroads will decide in its sole discretion who will remain employed.
