Basketball season is quickly approaching and it's time to prepare for the winter session! In an effort to generate team chemistry, we are partnering with the Linwood YMCA to create Crossroads teams.

K-1 Teams:

- Recreational Level Play. Goals are 8' high. Score and standing is not kept. Players wear colored wristbands to help teach Man-to-Man.

2nd Grade Teams:

- Recreational Level Play. Similar to K-1, but with no wristbands. Still Man-to-Man defense, but some double-team is allowed.
- Advanced Level Play. A step up from Rec. Boys have 9' goals, girls have 8' goals. Score is kept. Any type of half-court defense allowed.

SIGNING UP:

- Complete the form [HERE](#).
- You will receive a follow up email with further instructions.

Please note: In order to assure players are placed with Crossroads players
