Why do I have to re-enroll every year?

Re-enrollment saves your student's seat and keeps your contact and address information up to date.

I am not the head of household. What should I do?

If your name is not on a bill, that's okay. Submit a [Head of Household Letter](#) with a proof of residency document.

This letter must be signed by the head of household and include the names of the student and parent living in the home.

My family does not have stable housing right now. What should I do?

Email NBates@crossroadsschoolskc.org so we can help support you.

I want to enroll a sibling. What should I do?

New students must apply at SchoolAppKC.org and be included in the lottery. Be sure to list that they have a sibling at Crossroads.
