Category	Amount	Avg Value Per 10-mo Staff

Culture

We believe that a work environment is just as important as compensation and benefits. We strive to provide an environment where you can thrive by providing you opportunities to participate in your own growth and development. You not only have a voice in our specialized programming, but your voice is also an integral part of our overall performance model when setting goals and delivering high quality education to students in a way that makes an impact.

Since the work environment is impacted by the relationships with those around you, we're also proud to offer a Culture Committee that hosts voluntary activities throughout the year, such as game nights. The school also celebrates our hard-working staff with various appreciation events including a holiday party and staff breakfasts.

We hope that you will help add value to the culture of Crossroads when you join our team.

Salary scales will remain the same for future years unless notified with a different scale. Based on the budget, you may continue to move through the plan with your additional years of experience and education. Once you get to the maximum step; you will remain at that step.
